6.00–9.00 PM

BMO Community Room  
Halifax Central Library  
5440 Spring Garden Road,  
Halifax, NS

[resiststigma.com](http://resiststigma.com)

Resist Stigma is a national initiative that engages young gay, bisexual, queer, two-spirit, and trans (GBQ2ST) men and health professionals in combatting stigma. We resist stigma by building knowledge, by providing educational opportunities, and by engaging young GBQ2ST men in creating messages that resist stigma by sharing our stories.

Join Resist Stigma and The Youth Project for a night of storytelling featuring powerful videos from young GBQ2ST people all across Canada.
