# GSA BINGO!

## **Supplies needed:**

Bingo sheets (enough per person)

Pens, pencils or markers.

## **Activity:**

This is an activity you can play as a GSA, or invite your school to play as well. It's a way to get to know one another and find out interesting experiences or skills your peers have, or things you may have in common.

## **How to play:**

- 1) Every player gets a bingo sheet.
- 2) Write your name on the top if you are using these to select a prize!
- 3) Every player must find a person who fits the description in each square.
- 4) When you find someone, *have them write their name or initials* in the square that represents them.

When you get a BINGO (a vertical, horizontal, or diagonal line of signed squares), you win!

*Optional:* You can offer a prize or reward for any completed sheets, or draw for a prize among your completed sheets.
