

Hello Parents and Guardians!

The Youth Project is pleased to offer a summer camp for LGBTQ2S+ youth and their allies. This camp will be an opportunity for youth to connect with and make new friends, build confidence and self-esteem, and participate in summer activities that are free from gender assumptions, stereotypes and expectations. We are pleased that you are taking the opportunity to learn more.

The Youth Project is a non-profit, charitable organisation that works with youth, 25 and under, around issues of sexual orientation and gender identity. We are funded primarily by the Nova Scotia Department of Education, the United Way of Halifax, and the Nova Scotia Department of Health and Wellness. We have been working in Nova Scotia since 1993, providing support for youth and their families. We offer education workshops to schools and the community, and we provide opportunities for youth to participate, build confidence, and grow. We are also proud to run a satellite office in Cape Breton. We work to provide a safe and supportive environment away from the homophobia and transphobia many youth experience.

We have responsible and professional staff, screened and trained volunteers, and solid youth leadership. We have policies, guidelines and regulations that promote safety, security and respect. We will have lifeguards present for all water activities and the staff and volunteers are trained in first aid. As with all our events there will be no drugs, alcohol, or weapons permitted. We encourage you to check out our website www.youthproject.ns.ca to learn more about us.

We want parents/guardians to feel comfortable knowing their kids are safe, so we encourage you to ask any questions you may still have. We look forward to a great summer and are pleased to provide LGBTQ2S+ youth and their allies with the opportunity to have their own space to enjoy the fun that summer can bring, create new friends and celebrate who they are.

Sincerely,

The YP
Staff

YP Camp Rules & Guidelines

Camp Rules -As with all Youth Project events and activities, summer camps are drug and alcohol free. -There are also rules around respect as well as extensive safety rules for the weekend. -Staff and volunteers are certified in First Aid. -Campers will be provided with a set of camp rules prior to the camp.

Camp Information - Each camp is held in a different location, specific information about each camp is available on the website Summer Camp page. There is a deposit of \$25 required. If there are no incidents requiring youth be removed from the camp, the \$25 will be returned -We expect campers to be responsible for any prescription medications they need. If you have concerns around your child's ability to monitor their medications, please contact us.

Camp Rules and Guidelines Respect: -Property -Camp property -Youth Project property -Others' belongings -The Youth Project is not responsible for lost or stolen items such as: cell phones, iPods, devices, laptops, iPads/tablets, gaming systems, money, wallets/purses, jewellery, etc., so please leave them at home.
