

Chest Binders!

How to take your measurements:

First, take a snug measurement around your ribcage with a tape measure. Next, take another measurement over the fullest part of your chest. Again, not too tight but not too loose. Add these two numbers together and then divide them in half to get the average.

Find your size based on the chart below:

Sizing Chart:

X Small: 29" - 32"

Small: 33" - 35"

Medium: 36" - 40"

Large: 41 - 45"

X-Large: 46" - 50"

2X-Large: 51" - 54"

3X-Large: 54" - 58"

Available in two styles: long and short
